

Public Health has two dental clinics, one in Cambridge and one in Waterloo. Both clinics are staffed by dentists, dental hygienists, and dental assistants.

The clinics offer dental services to children and adults who:

- Live in Waterloo Region
- Meet the financial eligibility requirements

Children

Children, 17 years or younger who meet the eligibility requirements, receive free basic services, including checkups, preventive services (such as scaling, fluoride and sealants) and fillings.

To determine the financial eligibility, call 519-575-4400 ext. 3086, or fill out the [Income Assessment](#) form and submit it. Eligibility must be determined once a year and this form will need to be completed each time. If the application is approved you will be contacted by dental clinic staff to set up an appointment for your child(ren).

- Bring your and your spouse's (if applicable), Notice of Assessment or proof of income, at your child's first appointment to confirm the required financial eligibility
- If your child(ren) is/are enrolled in Healthy Smiles Ontario, you must bring their Healthy Smiles Ontario card to their dental appointments

The financial eligibility is based on the family income. Those who are eligible have a combined household taxable income that is less than the limit for the family size - see chart below.

Family Size	Total Family Annual Taxable Income	Total Family Monthly Income
1	\$25,999	\$2,167
2	\$32,366	\$2,269
3	\$39,791	\$3,316
4	\$48,311	\$4,026
5	\$54,794	\$4,566
6	\$61,798	\$5,150
7+	\$68,803	\$5,734

Income levels established by Region of Waterloo Public Health

Applicants who are not approved will receive a letter indicating why they do not meet the eligibility requirements.

Adults

Adults, 18 and older, who do not have access to dental services through social assistance, may be eligible to receive limited services such as extractions or fillings to eliminate pain. To determine your eligibility, call the Public Health Dental Program at 519-575-4400 ext. 5010
